

## DOORS & WINDOWS

[WWW.SHREEJIWOODCRAFT.COM](http://WWW.SHREEJIWOODCRAFT.COM)

**“Shreeji is the choice of industry leaders. We are proud to be a part of the grand World One Tower project by Lodha where we are delivering 10 feet doors as per the architectural requirement.**

### **Can You Tell Us A Little About Yourself, Background, Profession, and Passions**

Based in the commercial capital of India, Mumbai, Shreeji Woodcraft is a name to reckon with in the woodcraft industry. From a small timber trading business in Gujarat, the Parekh brothers have today successfully established a leadership position in the door industry. Our 3 decades of legacy has witnessed many victories and vicissitudes through these years, but the perseverance to deliver excellent experiences has been consistent. Whether it's premium or budget projects, our world-class woodcraft solutions have been winning hearts everywhere.

Headed by esteemed directors Nilesh Parekh, Vipul Parekh, Chirag Parekh, and Shashikant Mer.

Heading the second wave of change, our new generation is here: We welcome Manthan Parekh, Siddharth Parekh, Tejas Parekh and Mehul Mer.

### **Can You Shed Some Light On Shreeji Woodcraft's Success Stories So far?**

The infrastructure of any industry speaks volumes about its competitiveness and functional capacity.

Our expertise is spread across 3,50,000 Sq Ft. of the landscaped area in Silvassa, where we manufacture our products with utmost precision, durability, and world-class finesse. Trust us to provide a set of fully functional and integrable products which can turn any steady project into operation. Our production capacity is 1000 doors and frames per day.
