

## Unleash Productivity with ACE

### ACE to Unveil PHANTOM 4x4 Backhoe Loader and Advanced Telehandler Models at the Big 5 Expo in Dubai

**\*ACE, India's No. 1 Cranes & Tower Crane Company, Showcases Commitment to Innovation and Excellence in the Middle East Market\***

Dubai, UAE – 26<sup>th</sup> to 29<sup>th</sup> Nov' 2024 – ACE, a distinguished leader in the construction machinery sector for 27 years, is thrilled to announce the launch of the ACE PHANTOM 4x4 Backhoe Loader and a new lineup of Tele handlers—\*\*AT20\*\*, \*\*AT30\*\*, and \*\*AT35\*\*—at The Big 5 Expo, taking place from 26<sup>th</sup> to 29<sup>th</sup> Nov 2024. This premier event will serve as a platform for ACE to demonstrate its cutting-edge technology and commitment to providing high-quality solutions tailored to the dynamic demands of the Middle East construction industry.

### Launch Highlights at the Big 5 Expo

#### 1. ACE PHANTOM 4x4 Backhoe Loader

The ACE PHANTOM 4x4 Backhoe Loader is engineered to deliver superior performance, enhanced productivity, and operator comfort. Key features include:

**Premium Cabin:** The hexagonal cabin design provides spaciousness and 360-degree visibility, ensuring safety and comfort. It is equipped with air conditioning and ergonomically designed control levers, allowing operators to work efficiently over extended periods.

**Engine Options :** Powered by the robust Kirloskar 96HP and Perkins 100HP engines, the PHANTOM offers proven fuel efficiency and power, making it suitable for various applications, from excavation to material handling.

**Enhanced Productivity:** Achieving a 10% increase in productivity at the loader end and a remarkable 15% at the excavator end, the PHANTOM is designed to maximize operational efficiency on job sites.

**Cost Efficiency:** With a larger fuel tank capacity of 150 liters, the backhoe loader allows for continuous operation, providing 4-5 extra hours of work between refuels. This feature, combined with low running and maintenance costs, translates to significant savings for operators.

**Durability and Strength:** Built with robust materials and a reinforced structure, the PHANTOM can withstand the harshest job site conditions, ensuring long-lasting performance.

#### 2. ACE Telehandlers

ACE's new range of Telehandlers—\*\*AT20\*\*, \*\*AT30\*\*, and \*\*AT35\*\*—are designed for versatility and high performance:

**Lifting Heights :** These models offer impressive lifting capabilities, with heights ranging from 7 meters to 18 meters, making them ideal for various applications, including construction, logistics, and warehousing.

**Engine Options:** Available with either Kirloskar or Perkins engines, these Telehandlers deliver exceptional power and fuel efficiency, meeting the demands of the construction industry.

**Front Outriggers:** Equipped with front outriggers, the Telehandlers provide enhanced stability during lifting operations, ensuring safety and confidence for operators.

#### **Model Specifications:**

- **\*\*AT20\*\*:** Ideal for lighter loads and flexible operations, perfect for urban construction sites.
- **\*\*AT30\*\*:** A balanced option for medium-duty tasks, offering a combination of capacity and height.
- **\*\*AT35\*\*:** Designed for heavy lifting applications, ensuring maximum productivity in challenging environments.

#### **Visit Us at The Big 5 Expo**

ACE invites industry professionals, contractors, and potential customers to visit our booth [Booth Number] at The Big 5 Expo, where our expert team will provide live demonstrations of the PHANTOM 4x4 Backhoe Loader and Tele handler models. Attendees will have the opportunity to engage with our machinery, ask questions, and learn how ACE can elevate their construction projects.

#### **Event Details:**

Stand No - OS 520

Stand Type - Space Only Outside Space

**Stand Size** - 6.50 X 10.00 meters

**Contractual Sq.m** - 65.00

#### **For More Information**
