

Brush and wall brush

# Orolux

A revolution in the world of painting tools: after years of testing and research, we finally have a professionally superior product.

## SASH MODEL IN OBLIQUE VERSION

Facilitates profiling  
and improves  
comfort

## INNOVATION AND ECO- SUSTAINABILITY

The entire OROLUX LINE and LINE 78 make use of a high-quality blend of polyester and nylon with unparalleled performance.

The uniqueness is given by the composition of particularly conical, high-feathered, mechanically extruded fibers; In this way, we overcome the classic polluting and exhausting chemical treatment, obtaining maximum absorption with deep and homogeneous application.
