ACE INDIA'S NO. 1
CRANE BRAND

ACE

ACE - Action Construction Equipment Limited is the world's largest pick and carry crane manufacturing company with a majority market share in Mobile Cranes & Tower Cranes segment in the country. In addition to Mobile Cranes, ACE also offers Mobile / Fixed Tower Cranes, Loaders, Vibratory Rollers, Truck Mounted Cranes, Crawler Cranes, Forklifts, Tractors and other Construction Equipment. ACE has a consolidated presence in all major Infrastructure, Construction, Heavy Engineering and Industrial Projects across the country.

Background

ACE is promoted and managed by professionals having rich experience in Construction Equipment domain. ACE is a 28 year old enterprise with full-fledged state of the art production facilities based at industrial townships of Faridabad and Palwal (Haryana). These Plants are fully equipped to produce around 18000 units of Construction Equipment and 9000 Tractors per year.

The workforce comprises of qualified professionals having undaunted commitment towards total quality management and

our strength lies in standardization of class products. We are dedicated to provide our customers with latest technology Construction Equipment and efficient sales and product support aimed at satisfying their real needs. In our endeavour to expand our business and product offerings, we have also entered into marketing tie-ups with leading foreign companies which facilitate the availability of latest technology and machines from around the world.

Business of the company

The policy of responding with speed and expertise has been rewarded over the years in the form of repeat business resulting in constant growth and making us one of the leading companies in the Mobile Cranes, Tower Cranes and Construction Equipment sector in the country.

Another factor driving our growth has been the versatility of our equipment to satisfy a vast range of possible applications. Our equipment has been successfully used in many sectors like Infrastructure, Construction, Power, Ports & Shipyards, Dams, Metro Rail, Roads, Mining, Steel, Engineering, Automobile, Railways, Cement, Petroleum, Defence, Chemicals & Fertilizer, Warehousing, Logistics, Building Construction etc., to name a few.
