

Sigma Plantfinder Ltd to Showcase Expertise at The Big 5 Global 2025

Sigma Plantfinder Ltd, a leading supplier of quality used construction equipment worldwide, is proud to announce its participation in *The Big 5 Global 2025*, the largest and most influential construction event in the Middle East, Africa, and South Asia. The event will take place in Dubai, United Arab Emirates, from **Monday 24th November 2025**.

With decades of experience supplying equipment to over 100 countries, Sigma Plantfinder Ltd continues to support the growth of global infrastructure by providing reliable, cost-effective machinery and outstanding customer service. At The Big 5 Global, the company will highlight its wide portfolio of construction equipment, discuss new opportunities in emerging markets, and strengthen partnerships with industry leaders worldwide.

"We are thrilled to be part of The Big 5 Global," said Kurt James, CEO of Sigma Plantfinder Ltd. "It's an incredible opportunity to connect with our international clients and showcase how Sigma's equipment solutions can help deliver projects of every scale across the globe."

The Big 5 Global is recognized as the premier platform where construction professionals, suppliers, and innovators come together to exchange ideas, discover new technologies, and drive the future of the industry. Sigma Plantfinder Ltd's presence at the event underlines its commitment to supporting sustainable development and providing trusted machinery solutions across continents.

Attendees are invited to meet the Sigma Plantfinder Ltd team at **Concourse 1, stand 139** to learn more about its products and services.
